Health Catalyst Recognized by FierceMarkets for leadership in Data Analytics; also takes “Best in Show” honors

SALT LAKE CITY – DEC. 19, 2013 – [Health Catalyst](#), the leader in healthcare data warehousing and [analytics](#), has been recognized by this year’s Fierce Innovation Awards: Healthcare Edition, a unique CIO-reviewed awards program from the publishers of *FierceHealthIT*, *FierceHealthcare*, and *FierceMobileHealthcare*. Health Catalyst received top honors in the “Data Analytics” category, as well as an overall award of “Best in Show: Best Problem-Solver.”

Wendy Johnson, FierceMarkets’ healthcare group publisher, says, “The Fierce Innovation awards celebrate the companies who are leading the charge to boldly transform healthcare delivery. We were overwhelmed by the number and the quality of the applications we received.”

Honorees were selected by a distinguished panel of CIOs and other executives from renowned U.S. hospitals and healthcare systems, including Mayo Clinic, Boston Children’s Hospital, Memorial Sloan-Kettering Cancer Center, University of Michigan Hospitals and Health Centers, and Beth Israel Deaconess Medical Center. A complete list of judges can be found at www.fierceinnovationawards.com/healthcare/2013/judges.

“We are honored that Fierce Innovation’s distinguished healthcare judges have recognized Health Catalyst as a leader in data analytics and a ‘problem solver’ in healthcare,” said Dan Burton, CEO of Health Catalyst. “Much of the credit for the success of our solutions goes to our world-class healthcare clients. The clinical and technical leaders at these health systems are the real problem-solvers, utilizing data and analytics to drive measurable care and efficiency improvement.”

Core to helping health systems solve healthcare problems, Health Catalyst uses a [Late-Binding™ Data Warehouse and Analytics platform](#) and applications that can be quickly implemented to deliver powerful insights that lead to prioritized care improvement best practices and workflows, better, safer, and more efficient patient care, and streamlined operations.

Award winners were selected based on the following criteria: impact on quality of care and patient outcomes; impact on care efficiency; impact on healthcare information exchange;

technology innovation; financial impact; market validation; compatibility with existing health IT systems; end-user experience and overall level of innovation.

The Fierce Innovation Report, a supplement to the Fierce Innovation Awards program, examines the guiding forces in healthcare innovation and their impact on advancing cost-savings, patient care and outcomes. The report may be downloaded here:
